Dear Parent/Guardian

CHILD SAFE IN SPORT – WALES

A major part of Ruthin Rays Swimming Club is the responsibility for the young people in our care whilst attending training sessions/competitions, to ensure their safety and well being at all times.

To help us do this effectively we have implemented a Child Protection policy, which is designed to protect your child and all those who take part in swimming with the Club.

To help you understand the issues involved, we have a bi-lingual video available. Should you wish to view this video (the Club only has one copy, so be aware that this process may take a long time) please contact our Child Protection Officer:

Cath Garratt

A leaflet is available giving general information about Child Protection policies.

Ruthin Rays Swimming Club is committed to creating and maintaining a safe environment for your child.

Attached please find a consent form that must be completed in full and returned with the Joining Form for 2008/9.
