Qualifying standards

Times will be taken at the point of entry from rankings and will not be updated or amended after entry is submitted. We will not accept; converted, split or relay times.

Long course and short course time will be accepted for this meet. Long course times will be taken as priority, if a swimmer does not have a qualifying LC time, the short course time will be used and converted to LC, which will be published in the draft entry list after close of entries.

In the event of oversubscription of the meet, Swim Wales reserve the right to scratch entries based on times. Entries are not confirmed until the draft entry list is published after close of entries.
